

Adelante: The Progressive Caucus of New Mexico

**We invite you to join our grassroots movement within the
Democratic Party of New Mexico.**

The Adelante Caucus values:

1. Social, economic, and environmental justice;
2. Stewardship to protect our people, land, water, and air;
3. The principles and practices of peace in our state, country, and across the world.

To advance these values, the Adelante Caucus will work to:

1. Free our state and national party from the influence of “big money,” whether corporate or individual;
2. Create transparency and accountability in all functions of our state and national party;
3. Reach out to historically underrepresented communities across our state to include their voices in the democratic process;
4. Promote democracy by insisting that our elected officials represent the values and interests of ALL the diverse peoples and lands of New Mexico.

**We believe that the Democratic Party needs to adhere to the principles included in the
Preamble of the Charter of the Democratic Party of the United States:**

- *A political party that wishes to lead must listen to those it would lead.*
- *A party that asks for the people’s trust must prove that it trusts the people.*
- *A party that hopes to call forth the best the Nation can achieve must embody the best of the Nation’s heritage and traditions.*
- *A party must be responsive to be worthy of responsibility.*
- *We pledge ourselves to open, honest endeavor, and to the conduct of public affairs in a manner worthy of a society of free people.*
